The North American B-25 Mitchell is an American twin-engine, medium bomber manufactured by North American Aviation (NAA).. The design was named in honor of Major General William "Billy" Mitchell, a pioneer of U.S. military aviation.Used by many Allied air forces, the B-25 served in every theater of World War II and after the war ended many remained in service, operating across four decades.

William Lendrum Mitchell (December 29, 1879 – February 19, 1936) was a United States Army general who is regarded as the father of the United States Air Force.. Mitchell served in France during World War I and, by the conflict's end, commanded all American air combat units in that country. After the war, he was appointed deputy director of the Air Service and began advocating increased ...
