Bach was born in 1685 in Eisenach, into a great musical family. His father, Johann Ambrosius Bach, was the director of the town musicians, and all of his uncles were professional musicians. His father probably taught him to play the violin and harpsichord, and his brother Johann Christoph Bach taught him the clavichord and exposed him to much contemporary music.

Misc. Notes Because it was not available for consultation at the time, the editor of this score did not use Bach's autograph manuscript as a source for the Bach-Gesellschaft edition. The BG edition therefore contains occasional differences from the autograph.
