Majolica is a word for painted pottery, whose use is not always precise, and can be confusing. Note the different spellings ("i" and "j"), often confused, and different meanings. It may refer to: Maiolica: Tin-glazed earthenware with opaque white glaze, decorated with metal oxide enamel colour(s). Frequently prone to flaking and somewhat delicate, reached Italy mid 15th century.

Majolica is de naam voor een grof en bros soort keramiek, bestaande uit gebrande klei, met een bont gekleurde beschildering van glazuur. De naam majolica is een verbastering van het Spaanse Mallorca, een eiland in de Middellandse Zee en het middeleeuwse centrum voor de productie van dat type aardewerk. De techniek is afkomstig uit Noord-Afrika en het Midden-Oosten.
